Evaluation

Assignments	10%
Quizzes	5%
Labs	15%
Tutorial	5%
Mid-term	30%
Final exam	35%

Bonus Days for Assignments

- Every student is allocated **two bonus days**
 - No-questions asked one-day extension that can be used on any assignment
 - Use both on the same thing if you want
 - Weekends/holidays don't count for the number of days of extension (Friday-Monday is just one day extension)
- Intended to cover illnesses, interview visits, just needing more time, etc.
- Late penalty is 10% of the possible marks/day, again counting only weekdays

Assignments Submissions

- Individual
- Submission strictly on time; late penalty applicable
- Submission void in case of plagiarism
- A **report mandatory** to get any marks!

How to write a good report?

Academic Integrity

- Quizzes, Labs, Assignments, projects and examinations have to have original contribution from the student
- **Cite the source** whenever any material is borrowed
- Copying of code, text, or images (as results) is strictly not allowed
 - First instance of cheating: *one letter grade deduction*
 - Second instance of cheating: **F** in the course
- Must read: *Academic Dishonesty*: <https://www.iiitd.ac.in/academics/resources/academic-dishonesty>

DSA is fun! Enjoy the theory and assignments.
